

Astra 6X Bi-Color LED Panel Traveler Duo V-Mount Kit

SKU: 935-3201

PRODUCT DESCRIPTION

This compact 2-light kit provides the essentials for interview set-ups or location shoots, all in a rugged, waterproof Pelican case that's easy to transport.

The Astra 6X Bi-Color LED Panels have the ability to match ambient color temperature when lighting a room interior or augmenting exterior locations. The included Anton/Bauer V-Mount battery brackets let you run your entire configuration wire-free for fast and easy setup and teardown.

Astra Traveler Kits are the perfect solution for news crews and professional videographers on the go.
