

Astra 6X Bi-Color LED Panel Traveler Trio Gold Mount Kit

SKU: 935-3207

PRODUCT DESCRIPTION

This 3-light kit has everything you need for traditional interview set-ups or location shoots, all in a rugged, waterproof Pelican case that's easy to transport.

The Astra 6X Bi-Color LED Panels provide the perfect solution for 3-point lighting, with the ability to match ambient color temperature when lighting a room interior or augmenting exterior locations. The included Anton/Bauer Gold Mount battery brackets let you run your entire configuration wire-free for fast and easy setup and teardown.

Astra Traveler Kits are the perfect solution for news crews and professional videographers on the go.
