

Astra Soft Bi-Color LED Panel Duo + Astra 6X Bi-Color LED Panel Traveler Trio V-Mount Kit

SKU: 935-3211

PRODUCT DESCRIPTION

This 3-light kit provides a mix of Astra Soft and Astra 6X Bi-Color fixtures, all in a rugged, waterproof Pelican case that's easy to transport.

Combine the smooth, wrap-around light of the Astra Soft Bi-Color LED Panel with the power of Astra 6X Bi-Color LED Panel to easily adapt your setups and match ambient color temperature, whether lighting a room interior or augmenting exterior locations. The included Anton/Bauer V-Mount battery brackets let you run your entire configuration wire-free for fast and easy setup and teardown.

Astra Traveler Kits are the perfect solution for news crews and professional videographers on the go.
