Dual Gemini 1x1 Array Kit with Yoke

SKU: 900-3705

PRODUCT DESCRIPTION

The sturdy metal Dual Gemini 1x1 Array Kit with Yoke contains a yoke, bracket, and hardware to support two Gemini light fixtures in a side-by-side 1x2 configuration for use as a single large light source measuring approximately 12.6 x 25.5". Light output is doubled when the fixtures are combined, with a daylight output of 1,228 lux at 10ft/3m (5,600K) for a Gemini 1x1 Soft array, and 6,046 lux at 10ft/3m (5,600K) for a Gemini 1x1 Hard array. Gemini 1x1 fixtures are not included.
