

Snapgrid 40 deg Eggcrate for Gemini 1x1 Fixture

SKU: 900-3717

PRODUCT DESCRIPTION

Featuring a snap-open design for fast setup, the Snapgrid for Gemini 1x1 from Litepanels narrows the Gemini's 95-degree beam angle to 40 degrees to direct the light to specific areas and eliminate spill light. This version of the Snapgrid mounts directly onto the Gemini 1x1.
