

Sola 4+ Daylight Fresnel

SKU: 906-4024

PRODUCT DESCRIPTION

The daylight-balanced Sola 4+™ provides the controllability and light-shaping properties inherent in a Fresnel light, with the advantages of LED technology including DMX-controllability. The Sola 4+ draws a small fraction of the power of conventional Fresnel fixtures is now 120% brighter than the previous version, and like the rest of the Sola Series, it provides Litepanels' famous full-spectrum quality light.

TECHNICAL SPECIFICATIONS

Range	Sola
